FAIR SHARE FEE

Running a competitive, first-class band and color guard program is expensive and our program relies heavily on the financial and volunteer commitments produced by the MWHS BBC.

The MWHS BBC Board and Director of Bands determine a "fair share" amount from each student prior to the start of the new school year which is proportionate to support activities of the organization.

The MWHS BBC works as a team to provide things the Band and Color Guard needs that are not provided by the annual school budget.

We collect a "fair share" amount, and raise money, to pay for all meals for each kid for every football game and marching contest, special instrument purchases, travel expenses, extra snacks, show props/equipment, sheet music, clinicians/techs, guest instructors/judges, ticket to annual banquet, fun activities for the kids, scholarships for seniors, special purchases and so much more.

SUPPLIES:

**** New guard students will need everything on page 1 (for their section); except what is "optional".**
